Safety Regulations for Rifle and Pistol Ranges

April 1, 2010

**Violations of the safety regulations are grounds
for membership suspension or termination**

1. Absolutely no alcoholic beverages are allowed on club property.
2. Members can bring one guest at a time to the club, with the exception of immediate family members. After the first visit, guests must join the club in order to return.
3. It is the responsibility of the member to insure his/her guests are familiar with gun safety.
4. Anyone being disruptive to other shooters or violating any range rules will be asked to leave the premises.
5. No firing before 8AM or after sunset or 8PM whichever comes first.
6. No full-auto or full auto rate of fire is allowed on the club ranges.
7. Any safe ammunition may be used on the ranges with the exception of tracer ammunition.
8. Do not place targets on top of the berms. All bullets must impact the face of the berm, well below the top, in order to prevent ricochets.
9. When not being fired all firearms must be unloaded and have the actions open and magazines remove, if so equipped. The only exception to this rule is police officers during supervised training sessions.
10. For the firing line to be called "SAFE", all shooters must unload their firearms and stand behind the firing line, then and only then, are shooters are allowed to go forward. No firearms on the firing line are to be handled when persons are down range.
11. When everyone has returned from down range the range is clear and ready for firing, when closing the bolt on a live round, ALWAYS keep the muzzle pointed down towards the ground and down range.
12. Firing diagonally across these ranges is not allowed.
13. Shooting at the 200 yard berm must be done from the elevated 200 yard shooting area.
14. When firing from the 300 yard line during non sanctioned matches:
 - a. Close all ranges (max ½ hour). Make sure no one is present at the other ranges.
 - b. Close the range gate and hang the "RANGE IN USE" sign on the range gate.
 - c. A safety observer must be positioned with the shooter to ensure no one enters the range while shooting is in progress. If a vehicle and/or person is seen entering the range, call "CEASE FIRE" and stop shooting immediately.
 - d. Inform them the range is closed and tell them when it will re-open.

Safety Regulations for Rifle and Pistol Ranges

Range Etiquette

1. Targets:
 - Use common sense.
 - No glass
 - No metal targets
 - Whatever you use for target material, remove it from the backers and or the range whenever you are done shooting. Targets left on the backers over time fall off and then travel around the grounds.
2. The club recommends using both eye and ear protection. Eye damage can be permanent. Hearing loss is cumulative and permanent.
3. Do not shoot long strings without allowing others to go forward to set/retrieve targets. Any member after shooting a string, can call to make the line safe for the purpose of setting/retrieving targets.
4. Spent shells – pick-up all of your spent cases and either take them with you, or place the brass on the recycle container, or put them in the trash receptacles.
